

Forthcoming Resources

Nicolas Rodriguez

EBI is an Outstation of the European Molecular Biology Laboratory.

Plan

- Library to convert SBML to various formats. (example of the BioPax convertor)
- Simulation services
- Help on annotation

Simulation Services

- KiSAO to launch the simulation
- Teddy to validate it
- Taverna workflow ?? Usable on any site.

Help on annotation

- SBMLEditor
- Specific tools. (miriam annotations updater libSBML?,...)
- Automatic annotations

Thanks
